Name _____ Class _____ Date _____

The Compassionate Physician

Worksheet · Grades 9+

Comprehension Questions

1. What was the situation of the patient that the physician was attending to?
2. Describe the interaction between the physician and the cat.
3. What actions did the physician take to help the mouse?
4. How did the physician demonstrate compassion in the story?
5. In your opinion, what is the main moral lesson of this story?

Vocabulary Exercise

Match the words on the left with their correct meanings on the right.

Words	**Meanings**
1. Compassionate	A. To provide care and support
2. Afflicted	B. A feeling of deep sympathy
3. Stimulant	C. To be troubled or distressed
4. Tonic	D. A substance that invigorates or restores
5. Misery	E. Great discomfort or suffering

Writing/Reflection Task

Reflect on the story and the actions of the physician. Answer the following questions:

1. What does this story teach us about compassion in medicine?

2. How can you apply the lessons from this story in your own life?

3. Describe a time when you showed compassion to someone in need.

Feel free to share your answers with a peer or discuss them in class!
