Vocabulary Exercise

Match the words on the left with their correct meanings on the right.

Word	Definition
Fisher	A person who catches fish for food or sport
Fish	A creature that lives in water
Plea	A request made in an emotional manner
Prospect	The possibility or likelihood of something

Moral	A lesson or principle derived from a story

Writing/Reflection Task

Reflect on the story and answer the following questions. Use the lines provided for your responses.

1. Have you ever been in a situation where you had to choose between something you already had and something that seemed better in the future? Describe that situation.

2. What lesson do you think is most important from this story? Why?

3. Write a short paragraph about a time when you appreciated what you had instead of wishing for more.

Feel free to share your answers with a friend or family member and discuss the timeless moral of this story!
