Name _____ Class _____ Date _____

The Two Frogs

Worksheet · Grades 2–5

Comprehension Questions

1. Where did the two frogs live?
2. What was the main reason the Frog in the pond wanted his friend to move?
3. How did the other Frog respond to the suggestion of moving?
4. What ultimately happened to the Frog in the gully?
5. What moral lesson can be learned from this story?

Vocabulary Matching Exercise

Match the words on the left with their correct meanings on the right.

Word	Meaning
1. Pond	A. To change one's home or place
2. Gully	B. A small body of still water
3. Abundant	C. A deep, narrow ditch
4. Willful	D. Plentiful, more than enough
5. Residence	E. A place where someone lives

Writing/Reflection Task

Reflect on the story of the two frogs. Consider the choices made by each frog and their consequences.

1. What choice would you have made if you were the Frog in the gully?

2. How can this story inspire us in our own lives?

3. Write down a situation where you had to make a difficult choice. What did you learn from it?
